

If you DO care, and don't want to turn your back on God's Son, Jesus, the Bible says:

**Repent. Plain and simple.**

**"[God] now commandeth all men every where to repent."** Acts 17:30

To *repent* means to know that you are sinful, and wicked in God's sight, and be truly sorry for your sins. Most people know this part. But very few know that God so loved us sinners, "**that he gave His only begotten Son, that whosoever believeth in HIM, should not perish, but have everlasting life!**" (John 3:16)!

**Believe with all your heart that Jesus paid it all.**

Right now, fully believe that Jesus paid personally for all your sins, and that He will save you if you simply ask. Choose to accept His death as all you need to be completely forgiven!

Jesus said, "**I am the way... no man cometh unto the father, but by me.**" John 14:6. You can't get to God through your church (*IT is not the way*), your priest (*they are not the way*), or your good works (*they are not the way to heaven*). Eternal life only comes from Jesus Himself. And He gives it FREELY to anyone who will ASK!

**"The gift of God is eternal life, through Jesus Christ our Lord"** (Romans 6:23)

Jesus died to **give you** the forgiveness of your sins.

Talk to Him in prayer right now, and accept the forgiveness that He offers you for ALL your sins. "**The blood of Jesus Christ God's Son cleanseth us from all sin**" (1 John 1:7).

**Jesus alone** is your ticket home to heaven! You can't just "go on" with life, and expect everything to turn out fine in the end, when you have not done what God said in His word, the Bible – Repent, and turn to Christ in desperate faith, asking to be forgiven, and saved from hell.

Call out to God from your heart right now, and ask Him to have mercy on you, and save your soul.

***"For whosoever shall call upon the name of the Lord shall be saved"*** (Romans 10:13)

**It is that simple!** Don't be so proud to miss this opportunity. Hell is full of good people who were too proud to do what needed to be done, right away!

If you *have* decided to accept Jesus Christ today as your Saviour from the sting of death, and the punishment of hell, please write us, and let us rejoice with you!

**ONE second  
from  
eternity...**

**What if it were YOU?**

**In an instant... everything can be over!** It only took a few moments on the 11<sup>th</sup> of September, 2001, to remove thousands of lives from the present.

What are the thoughts of those of us remaining, who watched with horror as it all happened live on TV?

Unfathomable, unbelievable, and very upsetting.

How can we "reason" such an event? Normally, we tend to see things like the disasters in New York City and Washington DC, as happening to "other" people, and not ourselves. We tremble in unbelief, yet keep things distant enough in our minds so that we can "go on." But the harsh truth is, no one is exempt from dying, and no one can prepare you for the finality of death.

***Except Jesus.***

The only person ever, who knew the exact day and hour of His death, and who had complete control of the events leading up to it, was *Jesus*. Could there be a connection between the death of so many on September 11<sup>th</sup>, and the death of Jesus? The answer is a most definite, Yes!

There really are two kinds of death: one that occurs only to the body; and one that occurs to the soul. One is physical, the other is eternal!

No one can stop physical death from coming, but *Somebody* has taken away the "sting of death" for every person. Jesus came to this world to do just that. And He did it by **dying alone** on the cross, in our place. It's called, an exchange - His life for ours!

We know that over 5,000 lives were lost through the actions of terrorists in one horrible hour. A tragedy of the highest proportions. But consider the sins and the punishments of all people, and of all time being nailed with Jesus to the cross, just outside of Jerusalem. No matter how you look at it, the event of the crucifixion was also a horrible tragedy. More so when so many people don't care about it.

The 11<sup>th</sup> of September, 2001, is forever etched in our minds with images, and thoughts of horror and disaster for those on the planes, and the thousands in the World Trade Centres. Were any of them ready? The difference is, Jesus was ready, and every believer in Him is ready as well!

What the people of this generation have failed to do, is prepare *for eternity*. We know death is out there, but we as a rule, don't know how to prepare for what lies beyond. The events at the World Trade Centre in September, 2001 are all the worst because most of the families don't know WHERE their sons and daughters went in that instant of their death.

It's time NOW to prepare for eternity! You could be just ONE SECOND from heaven, or hell!

**HERE'S HOW TO GET READY**

**Realise, we cannot ignore death.**

**"It is appointed unto men once to die"** Hebrews 9:27

**After death, there is an eternity.**

**"And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is the book of life: ... whosoever was not found written in the book of life was cast into the lake of fire."** (Revelation 20:11-15)

**You must decide NOW where you want to spend eternity. There are NO second chances!**

**"Behold, *now is the accepted time; behold, now is the day of salvation.*"** (2 Corinthians 6:2)

If you don't care what happens to you, or don't believe in the Bible, then just go on with your life and disregard this message - go ahead, ignore this opportunity. But God has some thoughts for you:

**"How shall we escape, if we neglect so great salvation?"** (Hebrews 2:3) **Don't NEGLECT God's great salvation for your soul.**

**"The fool hath said in his heart, *There is no God.*"** (Psalm 14:1) **Only a Fool says there is no God.**

**"All have sinned and come short of the glory of God."** (Romans 3:23) **Everyone of us are sinners.**

**"Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?"** (Matthew 23:33) **All sinners spend their eternity in hell.**

Please, there is no escape without Jesus! Read on...
