### General Thoughts and Overview of Genesis

1. It is impossible to understand the rest of the Bible without first understanding Genesis. Genesis is the \_\_\_\_\_ of the Bible. Just as the Book of the Revelation is the \_\_\_\_\_ of the Bible.
2. Without Genesis, none of the major themes of the Bible make any sense.
3. Genesis answers the question, "How did all begin?" Revelation answers the question, "How will all end?" Between them is development from one to the other.
4. In Genesis, sin enters, the curse begins, and paradise is closed. However, in Revelation grace has saved, the curse is removed, and paradise is opened.
5. Genesis is where death, sorrow, and tears begin while in Revelation death, sorrow, and tears are no more. Another contrast between Genesis and Revelation is that fellowship with God is broken in Genesis but is restored forever in Revelation.
6. Its Theme - "Beginnings"
  - a. The origin of all creation
  - b. The origin of \_\_\_\_\_
  - c. The beginnings of music, the arts, and creativity
  - d. The origin of the races – God started off with one race (Adam and Eve). We now have three main variations in the race – through Noah via Shem, Ham, and Japheth
7. It shows us many "firsts":
  - a. The first day – of time
  - b. The first rivers named – Tigris & Euphrates
  - c. The first wedding – Adam and Eve
  - d. The first institution – marriage, not society or government, but the \_\_\_\_\_.
  - e. The first job – gardening
  - f. The first operation – God performed surgery upon Adam and removed his rib to create Eve.
  - g. The first zoologist – Adam
  - h. The first temptation – Eve to become like God.
  - i. The first sin – of doubting God's word
  - j. The first lie – of Satan to Eve
  - k. The first curse – upon the \_\_\_\_\_
  - l. The first excuse – between God and Adam
  - m. The first death – spiritually of Adam and Eve, and of physically of Able
  - n. The first argument – between Adam and God
  - o. The first promise – for redemption through the Messiah
  - p. The first blood sacrifice – the animals slain for the coats for Adam and Eve
  - q. The first set of clothes – given to Adam and Eve by God.
  - r. The first birth – \_\_\_\_\_
  - s. The first worship service – Cain & Abel and their offering
  - t. The first murder – of Able

- u. The first city – the city of Enoch, the son of Cain
  - v. The first rapture – of Enoch – the g-g-g-g-son of Seth
  - w. The first captain – Noah
  - x. The first boat – the ark
  - y. The first rain – at the Flood
  - z. The first destruction of life on earth – the flood
  - aa. The first rainbow – after the Flood
  - bb. The First Dispensation – Innocence
  - cc. The first Covenant – Adamic
  - dd. The first Empire – Babylon
  - ee. The first cult – Babylonian religion
  - ff. The first famine – in Canaan
  - gg. The first tithe – Abraham offering to Melchizedek, an O.T. Christophany (appearance of Jesus Christ)
  - hh. The first war - King Chedorlaomer against the Bera, king of Sodom
  - ii. The first twins – Esau and Jacob
  - jj. The first dream – God warns Abimelech
8. God spoke everything into existence except \_\_\_\_\_; God formed him with His hands and was the first thing God laid His hands on.
  9. The first thing God made was the \_\_\_\_\_. God wanted Himself to shine. (Psalms 97:11; Matthew 14:16; 17:2; Luke 1:78, 79; John 1:4-9, 2 Corinthians 4:6; Revelation 21:23)
  10. \_\_\_\_\_, Enoch's son, is the longest living person in history – 969 years.
  11. Abram means “\_\_\_\_\_ Father” and God changed it to Abraham, which means “Father of Many Nations”.
  12. Sarai means “\_\_\_\_\_” and God changed her name to Sarah, which means “princess”, signifying she would be the mother of many nations.

## The Doctrinal Fundamentals Taught in Genesis 1-22

- A. Creation – a supernatural, instantaneous act of God
- B. The Existence and Character of God
- C. The \_\_\_\_\_ (Genesis 5) – the ability of God to move someone from earth to Heaven
- D. The wages of sin (Genesis 3-5) – which is death
- E. The curses of this life (Genesis 3 & 4) – childbirth pains, low yield production of crops, entropy, fighting to stay ahead of death, the sinful nature passed upon all descendants, the woman being in subjection under her father, and then her husband, the need for governments to control its people.
- F. The Resurrection from the dead
- G. Eternal Life
- H. The three families of earth – \_\_\_\_\_ (Orientals), \_\_\_\_\_ (Negroes) and \_\_\_\_\_ (Europeans, Genesis 9 & 10)
- I. The origination and purpose of multiple languages (Genesis 11; Acts 17:26, 27)
- J. The fathers of all foundation nations (Genesis 10 & 11)
- K. The \_\_\_\_\_, who He will be, why He will come, and how He will come
- L. The world consists of only two religions – Those **Working** their way to eternal life, and those who obtain it only by God's **Grace** (Genesis 4)
- M. God does and will punish sin (as He did with the Flood, in Sodom, etc.)
- N. God's grace is shown to sinners who trust God's provided substitute (Abraham sacrificing Isaac) - the death of the Messiah in the place of the sinner
- O. The calling out of the \_\_\_\_\_ (Israel) – out of Egypt (type of the world)
- P. God has clear laws about what is right and wrong – they are not up to individual opinions and interpretations
- Q. God expects man to take responsibility for his own messes – we have to have governments and courts that are LAW-based to maintain justice
